## CRUSHER YOUTH BATS

Available in 25-31" sizes.

### K455

The lightest of our youth bats, the K455 is designed like an adult bat with the weight of a youth bat. In ash, the weight differential will be approximately a -8.

### DR100

The DR100 is designed to be a transition bat for the youth player moving from a 2-1/4" barrel up to a full size bat. It couples a 2-1/2" barrel with a weight differential of around -6.

**Custom & Standard  
Batting Gloves YS-2XL**

**Reinforced palms, diamond knuckle  
cut-outs & mesh back for ventilation**

## BASEBALL BATS

All bats are available in Rock Maple or White Ash.  
Available in lengths from 31" to 35" in 1/2" increments.

### BB71

Stepping up to wood or want more bat speed? Our lightest bat has a 2-1/2" barrel and a slightly flared 15/16" handle. At -3, it's our largest length-to-weight difference.

### R141

It's the most versatile bat and a solid choice for team use. Fairly straight 15/16" handle, medium sized 2-1/2" barrel, and is a -2.5.
