

## Why Join The Baseball Boosters?

The Upper Arlington Baseball Boosters Club, Inc. is a non-profit corporation formed to raise funds for the Upper Arlington High School Baseball Program. While the High School Athletic Department provides funds for the Baseball Program, the money does not go very far in meeting the financial needs of the Program. As a result, additional revenue must be solicited.

Instead of assessing additional fees to every player as is done in other sports at UA, the Baseball Program has relied on fundraising events to provide the additional income needed. The purpose of the The Upper Arlington Baseball Boosters Club, Inc. is to organize and run these fundraising events. The primary event will continue to be the annual Sub Sale, which takes place in January of each year. This huge undertaking has a proven track record as an effective fundraiser for the Baseball Program. Additional revenues are generated through Concession Sales, Baseball Apparel Sales, Advertising and Special Projects. Annual dues are collected to help defray the operational costs of the Boosters Club. Club members will receive schedules, team results and invitations to Booster activities.
